

Product Information

Ficote® Total

17+9+11+2MgO+TE

PRODUCT DESCRIPTION

Ficote Total is a coated fertilizer of the 2nd generation, produced by Scotts. With a 2nd generation coated fertilizer the longevity is guaranteed. If the release pattern during the longevity is of evident importance, Scotts recommends choosing Osmocote Exact patterned release fertilizer, because this product line offers the highest safety and best uniformity in release. Ficote Total contains NPK, magnesium and a full package of all essential trace elements. The product can be mixed into growing media or applied by top-dress. Ficote Total is available in longevities of 3-4M, 5-6M, 8-9M and 12-14M.

PRODUCT ADVANTAGES

- 100% coated NPK, and full trace element package
- Good value for money
